Assessment Activity/Report Communication Form

2010-2011

Title: Athletic Scholarship Report Date of completion: May 1, 2011

Please circle:

Assessment Activity

Report

Both

Highlights of data:

86 students in 4 different sports received athletic scholarships for board, books, dorms, as well as tuition and fees. Of the \$495,835.97, the total for tuition and fees was \$303,060.35 and the total for books was \$85,393.26. This shows that just over 78% of all the athletic scholarship funds are used on education and academics. This report will be presented to the Vernon College Board of Trustees at their June meeting.

Use of data:

The Dean of Student Services/Athletic Director as well as Vernon College coaching staff review this data each semester to make sure there is a fair and equitable distribution of funds and that the funds are being used to most benefit the college as well as the student athletes.
