## New Beginnings Application Update

(This form is ONLY for students who received benefits in the previous semester.)

\*Which semester are you applying for: (circle one) <u>Fall</u> <u>Spring</u> or <u>Summer</u> \*<u>A copy of your official class schedule is required for this semester.</u>

To apply for next semester benefits, current New Beginnings students must <u>complete this</u> <u>form</u> and <u>return it</u> to the New Beginnings office. Required documentation is <u>not required</u> in order to submit an application, but must be provided before eligibility is determined.

If you are receiving Financial Aid, your income will be verified through the VC financial aid department, all other students must provide current verification of household income.

## YOU may not receive child care assistance from both New Beginnings & Workforce Child Care.

I understand that this program serves students who are enrolled in a career or technical education program or an approved academic transfer major and qualify based on income. All information that I have provided, including my finances are accurate. If approved I agree to report any and all changes effecting my benefits. If I am applying for child care, I give my permission for NB staff to contact the daycare of my choice or the Workforce Solutions Child Care program, if necessary.
